

CROSS THIS WAY.

Don't be like Jay.

You might think jaywalking is no big deal. But it's one of the major causes of pedestrian fatalities in Delaware. So whenever you're walking, use your head and be sure to follow all of these pedestrian safety laws:

- Cross only at crosswalks or intersections with signals or traffic signs.
- Do not step into a crosswalk if it will create a hazard to motorists, even though you have the right of way.
- Use sidewalks. If there's no sidewalk, walk facing traffic and as far off the edge of the road as possible.
- Carry a flashlight or other reflective item when walking at night.
- Do not walk under the influence of alcohol or drugs.
- Do not hitchhike.

Break the law and your fine and court costs can total almost \$70.
